

Kindergarten Supply List

Cedar Hill School

2014 - 2015

- A backpack large enough to hold a two-pocket folder and a lunch box/bag (no rolling backpacks please)
- A lunch box or a lunch bag for snack
- A daily healthy snack (no nuts or nut products)

Our Kindergarten supplies will be used as a "Community Supply Share System" for the school year. This means that we will share the supplies and they will be replenished as needed. Therefore, the following supplies do not need to be labeled. There are great sales in July and August. Thank you in advance for any supplies you contribute to our classroom!

- small Elmer's glue sticks (they come in packs of 2 or more)
- "Expo low odor fine" whiteboard markers ~ black only
- baby wipes
- tissue boxes
- Lysol or Clorox wipes (adult use only)

Your child will be provided with all necessary school supplies: pencil box, pencils, crayons, scissors, and a two-pocket folder. More information will be sent home on the first day of school. Thank you again for your help! It is very much appreciated! ☺
